

Quality Policy

In support of the Mission-Vision-Policy-Objectives of Don Bosco Technical Institute of Makati, the TVET Center has established its OHS Policy by committing to:

- Provide safe and healthy work conditions for its workers and relevant stakeholders
- Prevent work-related injury and ill health among its workers and stakeholders, and eliminate or reduce OHS hazards and risks
- Engage workers and relevant stakeholders through consultation and participation in OHS matters
- Comply with relevant legal and other requirements while preserving the distinctive Salesian educational system
- Work towards the continual improvement of the OHS Management System.
